EXALTED RULER'S MESSAGE

WHAT A BIRTHDAY BASH! I'd like to thank all the Elks, non-Elks and future Elks that decorated the party barn; you all did a great job. It looked great! I'd also like to thank PER Glenna Kruger for selecting and providing the entertainment, food and door prizes! Mr. Rock and Roll held the excitement for the night. While Elvis was visiting, he honored the veterans. I'd also like to thank Chaplin Edith Hamm for leading the 11th hour toast.

Your Elk of the month for May is Greg "Boomer" Hedges. An Elk nominated Greg for his standing in the Kitchen during the Birthday Party washing dishes and helping all night during the party. I personally wanted him to be the Elk of the Month for his building the display case for our charter glasses and for fixing the garage door opener. Boomer is always helping with something at the Lodge. He has also been known for bringing in pizza to share on meeting nights. Thanks Greg, your help in building a better Lodge is greatly appreciated.

Your Officer of the month of May is Trustee Chairman Burt Hilliard. Among the many things that Burt has done to make this a better Lodge, he purchased and installed the ceiling fans and lighting kits for the party barn. Your continued support of the Lodge is greatly appreciated.

Your new officers have just finished up their second month in office. They are working hard to bring our Lodge

back together and unite the members of our Lodge. Let me remind you that Fidelity is of supreme importance, for only while we remain faithful to our Obligation will we act toward one another with Charity, Justice and Brotherly Love. It us the duty of the Members, under your Obligation, to assist in upholding and maintaining the honor and dignity of the Order and of this Lodge. I also would like to remind you the motto of the BPOE, "the faults of our Members we write upon the sand, their virtues upon the tablets of love and memory."

Typically the summer months are slow for the social quarters of the Lodge. Your Officers and the House Committee are working to keep the Lodge active and open. Saturday and Sunday hours have changed, we will be opening at 4 p.m. and staying open till at least 8:00 p.m. If there are members enjoying the social quarters, we will keep it open later. Your elected officers and their spouses are taking turns working and keeping the Lodge open. Come on out and enjoy your social quarters. You never know what activity your officer will plan for their weekend. We have cards and games available for your use. If we want to keep the Lodge going, we need your support.

Fraternally,

Jack Richardson,
Exalted Ruler

“HOW DO WE STOP IT”...That’s the Question

This is the first in a series of articles from chair officers. There have been many complaints regarding actions and discussions by several members of our lodge and/or about other members. With approval of all chair officers and the ER, we are making an attempt to end all of these actions. At any time, if there is any disagreement of any sort, the member is to approach and discuss this issue with a chair officer of their choice in confidence and not with other members.

Every member took an oath during initiation – “What are Elks? American citizens who guide their course in life by the cardinal principles of our Order: Charity, Justice, Brotherly Love and Fidelity.”

It is important to remember these words:

“I welcome you to this station which is dedicated to Brotherly Love. Upon our Altar it is symbolized by the Antlers of Protection.

The animal from which our Order derives its name is noted for gentle-

ness and timidity. It is strong of limb, fleet of foot, quick and keen of perception. So should we be: quick to hear the cry of distress, timorous of doing wrong and fleet of foot to relieve the unfortunate, thus conforming to the Golden Rule which should govern all mankind.

In this rule, which is the foundation and groundwork of our Order, Brotherly Love finds its perfect expression; and it is best exemplified by practicing the teachings of our motto - - The faults of our Members we write upon the sand, their virtues upon the tablets of love and memory.

It softens the stern realities of life and manifests itself in good fellowship, in sympathy, and in kindness of thought, word and deed. It has smiles and laughter for us in seasons of joy, and it sits with us in the shadows and weeps in the hour of bereavement. And it teaches us to scatter flowers along life’s pathway and speak words of kindness to the living as well as to cherish the memory of the dead. As we

therefore have opportunity, let us do good unto others, for we pass this way but once. We cannot retrace our steps nor call back the days that are gone but the passing moment is ours long enough to grasp the hand in friendship, to lighten each others burdens, to bring rest to the weary, and to comfort those who mourn - - - this is Brotherly Love.”

I would like to reiterate, if there are any concerns, your first action is to look at the reflection in the mirror, if it is not yours you should be setting up a time to speak with one of our officers. We do see things that are going on and those involved. As things arise they will be pursued.

Together, let’s make this a lodge we can love, honor and respect.

*Danny Delvige,
Esteemed Lecturing
Knight*

SECRETARY’S NOTE

May proved to be a banner month at the Lodge. We have eight new members to initiate and five potential new members to be read on the floor.

Our Birthday Party was a huge success and the entertainment was great.

We still have a small group of members that are delinquent with their dues. We would really like to make our Lodge membership 100%. You can pay half a year’s dues (\$44.75) and become a member in good standing – with the balance of

\$27.25 due on October 1. If you are one of these folks, let us hear from you.

Don’t forget the new Lodge hours on the weekends – Saturday and Sundays the Lodge opens at 4 p.m. We hope you’ll drop in.

Members are reminded that if you move, change marital status, get a new telephone number or e-mail address, you are required by statute to notify the secretary’s office. The Lodge number is 940-458-2862.
